Welcome and thank you for visiting VirtualUA, Inc website. I am Robby Sayles, President, and Chief Executive Officer. The history of VirtualUA, Inc. began in 2012 when I founded this incredible community. Since then, VirtualUA, Inc has welcomed over 10,000 members all over the globe, which they called VirtualUA their home away from home.

The year 2022 marks our 10th Anniversary; I could not be more than proud of our accomplishments from the last decade. It has been ten long years since VirtualUA took off to the friendly blue skies. Time sure does fly by. I have learned from many challenges and rewards, and we appreciate them all. Our continued success comes from our two most significant assets, our members, and dedicated staff team.

Our members continually show their loyalty to us by giving us their time away from their personal lives, engaging with our staff team, making VirtualUA Community what we are today. I am grateful for all our members, and we continually do all we can to earn it. Thanks to our talented and dedicated staff members who manage this incredible community with an extremely elevated level of commitment to our outstanding members, it would be impossible to achieve. Those efforts and continued dedication give us all reasons to be excited about our future.

I am genuinely grateful to all our members, staff, and partners that we have enjoyed working with over the years. I am proud to celebrate our 10th Anniversary, and we are confident that VirtualUA, Inc. will continue its successes for many years. To all of those mentioned above, with a tremendous amount of gratitude, I offer you all a heartfelt THANK YOU!

Robby Sayles
President and Chief Executive Officer
